## SEPTEMBER TFC RALLY REPORT

Kent Otott welcomed everyone to the September rally and opened with prayer.

Lacey McGuire, Concordia, and Jordan Cunningham, Miltonvale, then squared off in a scavenger hunt, fetching items from the audience of about 60. It ended in a tie, with Lacey choosing a Red Roots CD for her prize and Jordan receiving a Kalona Pence CD.

The husband and wife team of Bryce and Tamara Hutsell led worship for the evening with a good mix of old school and new school. Special music for the night featured Clifton-Clyde student Thayna Carver. She sang of cover of the Red Roots' song, "If I Could Then I Would." Thank you for sharing with us, Thayna. Chasidea Tyree, Miltonvale, assisted with offering.

After another set of worship music, Kent introduced special guest David Penny, Kansas native, MIT grad, and retired NASA scientist. He did a presentation

on the Wonders of God's Universe. He first explained the scale of things, the Earth as compared to other planets and the sun; the sun compared to other stars; the Milky Way

compared to other galaxies, to describe the greatness and vastness of our Creator. Using slides, many of them photographs taken by the Hubble Telescope, he showed many beautiful things God has placed throughout the universe. He showed pictures of stars exploding millions of miles away, where naked eye cannot see. Why have this beauty and wonder where no one will even see? For God's

pleasure and to display His glory. Students and adults alike marveled at

the wondrous works of God. He concluded by telling us that surpassing all of this, is God's gift of His son, Jesus, for our salvation. Kent wrapped up with prayer and an invitation for students to trust Jesus.

The next TFC Rally will be on Saturday, October 15th, featuring a night with Shawn Baird and the praise and worship duo Rogers & Clark. Details are on page three of this TEENS FOR CHRIST UPDATE.
