## JANUARY RALLY RECAP

We had an amazing night with Dana Tison. What a great way to kick off the first rally of the year. Even with the cold temperatures, we had one hundred and thirty eight in attendance. The night started with host Shad Clark's announcement that his wife, Amber Clark, wasn't going to make to the rally due to an allergic reaction a couple of days prior. Doug Rogers was then welcomed to the stage for game time!

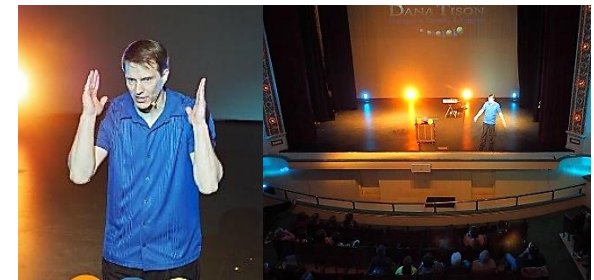

He had five teams of four come up to the stage to play the ballon blow up and sit on game! The winners for the night were given a two dollar coupon for the Brown Grand consessions.

Shad came back to the stage to celebrate the January Birthday Moment! He had everyone help sing Amber's birthday jingle song and the audience

was amazing! Each of the seven teens were given five dollars for their birthday!

Doug came back and introduced the special guest, Dana Tison, to the stage! The music kicked on and Tison ran out juggling. The night was filled with fun audience participation. After a lot of

laughter and fun he got really serious and presented the good news of Jesus Christ. He closed out the night with an invitation, and four students raised their hands to start a relationship with God! It was such a awesome, powerful night! Thank you for supporting the Teens for Christ rallies by bringing teenagers to our events!

## Homestead Ministries

PROVIDING HOPE TO HEAL

# HUMAN TRAFFICKING AND SEX SLAVE TRADE

In 2016 there were 7,572 cases of human trafficking in the U.S.

I-70 and I-35 are well-known transport highways making Manhattan, Wichita, and Kansas City hotspots.

In Kansas in 2016, there were 51 reported cases of human trafficking.

Homestead Ministries embraces the challenge of bringing together, in cooperation and partnership, God's people and the needed professional services, both being indispensable agents in the healing and recovery process of a life ravaged by human sex trafficking. Each have a monumental, essential role to play in a survivor's restorative journey. The Homestead is a safe, residential transitional care program for women 18 years & older who are survivors of the sex trafficking industry and have been through a measure of their healing and recovery. Homesteaders enroll in school or participate in a job apprenticeship, continue with support and recovery work, and begin to move from being under a 100% supervisory program to 100% independence, integrating back into mainstream society in a productive and life-giving way.
